

The Sharing Shelf

Looking for something new to play, make, or read??? Check out the Sharing Shelf which is located in the breezeway. Come check-out some of our puzzles, games, and or books, and feel free to bring some of yours in exchange...and, when you're done, just return whatever you checked-out to the Sharing Shelf.

Please use the sheet on the clipboard to sign items out and back in. If you are bringing items from home to exchange, please email the church office at 1congouccply@gmail.com and let us know what you brought so we can help you keep track of your items.

As safety is always our first concern...PLEASE wipe down all games before and after use, and wash your hands often! Please do not utilize the Sharing Shelf if you have symptoms, or a positive Covid-19 diagnosis. Following 14 days of isolation AND 72 hours being completely symptom-free, we welcome you to once again participate in the Sharing Shelf Ministry!
